Welcome to the 2021-22 season with Pegasus

We are starting the newsletter back up this year so please look for them every other Thursday. We are also putting more information on the website and in each age group's WhatsApp. We have created a new [Parent Education webpage](#) just for parents with tournament education, volunteer info and links to join your practice group's WhatsApp.

Welcome to Texas Shootout Results

Pictured here is Coach Spencer with the 16U Girls team.

Pegasus competed and scored outstanding results at the Welcome to Texas Shootout tournament in San Antonio over Labor Day weekend.

12U Mixed, 4th place; 14U Mixed and 18U Boys, 1st place; 16U Boys and 16U Girls, 2nd place. This was the first ever 16U Girls team for Pegasus. The club had five teams and over 50 athletes participating, and we had the strongest results of any club at the tournament.

Thank you to all our new team parents who helped organize the trip and thank you to our new coaches, Carl Matthews and Jayson Chacon, for a job well done.
